# CBCS

The Challenge facing the Church of the Lord Jesus Christ in the 21st Century is an awesome one. The problems that face our society have had a devastating effect on the Church and yet provide a tremendous opportunity for action and change.

The many Institutes of Ministry do an excellent job of preparing for practical ministry, but often lack the ability to lay a solid enough foundation in theological theory and practice.

The vision of Covenant Bible College is to blend both the practical and inspirational "Institute of Ministry" approach, with the well rounded program of high academic and spiritual standards found in full collegial academic baccalaureate, graduate, and post graduate programs.

The **Uniqueness** of  
Covenant Bible College  
(CBC) is that We fulfill  
**LOST DREAMS.**

Many ministers & laymen in your community have had a desire to attend Bible College, but got married, started careers, raised families and felt like their dreams would never become reality.

For Personal Growth  
Ministry Preparation  
College Credits

With our program of meeting one night per week for 9 months and still fulfill 30 credit hours of classroom training, anyone can now attend college and see their dreams fulfilled,

We accept, as a mandate from God, the words given by the Apostle Paul to his son in the Faith, Timothy, when he said, "the thing that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." (II Timothy 2:2)
